

## PE and Sports Grant

At St Oswald's Church of England Primary School, we recognise the contribution of PE to the health and well-being of the children. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children.

Our Primary School Sport's Funding will enable us to continue and extend our provision through employing additional sports professionals, running more clubs free of charge at lunch time and after school, entering into more competitive sports competitions and training our staff to deliver in-house quality PE sessions.

### In 2017/2018 the school received £8887

We used this money to:

- Employ a specialist PE teacher to support staff in delivering engaging and appropriate PE lessons.
- Offer free after school clubs to both Key Stage 1 and Key Stage 2 children across a range of sports and activities.
- Offer free lunchtime multi-sports clubs.
- Support breakfast club in delivering active, engaging activities to start the day.
- Broaden the experiences of a range of sports and activities and buy equipment needed to support this
- Invest in the Anomoly board that provides the children with activities to participate in during breaks
- Launch the daily mile for all classes

### The impact of this has been:

- An increase in participation of sport throughout school.
- Pupils who wouldn't normally get the chance to attend after school clubs can do so without a charge. We had 75 children out of 90 attend KS1 after school clubs and 95 out of 120 in KS2.
- Increase confidence/expertise by staff following the training.
- A wider range of activities have been taught as we now have a selection of equipment.
- During PE lessons/lunchtimes and after school, the playground is now able to be used for a variety of activities that promote healthy lifestyles.
- More children have been given the chance to represent the school against local schools, starting from a younger age (Year 1).

### In 2018/2019 the school will receive £7404

#### Objectives

To achieve self-sustaining improvement in the quality of PE and Sport at St Oswald's Church of England Primary School we will:

- Increase the engagement of all pupils in regular physical activity, thus kick starting healthy active lifestyles.
- Raise the profile of PE and Sport across the school as a tool for whole school improvement.
- Increase confidence, knowledge and skills of all staff in teaching PE and sport.
- Broaden the experiences of a range of sports and activities offered to all pupils.
- Increase participation in competitive sport, using the expertise of a coach.
- Have a larger proportion of children leaving in Y6 that can competently swim 25m

#### In 2018/2019 the PE and Sport Grant will be used in a variety of ways:

- We have employed a specialist sports coach to deliver lunchtime and after school clubs every day.
- Buy any different sporting equipment needed to develop wider opportunities in PE lessons.
- We will upskill pupils in Y5 and Y6 to teach the younger children how to use the different equipment at lunchtime.
- We will continue to be a part of the local cluster to provide the children with more opportunities of competition and give CPD to teachers.
- Staff will be given CPD (through staff meetings) to address areas of weakness which will provide confidence to them when teaching the children independently.
- We will be developing our use of assessment in PE and supporting all members of staff to do this accurately and effectively.
- We are entering more competitions, with local schools.
- We will continue to implement the mile a day
- We will be taking more year groups swimming to comply with the new curriculum requirements.
